

**3rd International Symposium on
Advanced Measurement, Analysis and Control
for Energy and Environment**

AMACEE2020-WEB

August 24th-26th, 2020, WEB

Best Poster Presentation Award

Daichi Takahara

Tokushima University, Japan

P2-10

*“Development of two-dimensional measurements of NH₃
concentration using CT-tunable diode laser absorption
spectroscopy by the rectangular wave modulation
technique”*

Chairperson Yoshihiro Deguchi
